Signature

Permits for temporary storage containers are valid for ninety (90) days and must be removed by midnight on the date of permit expiration. Failure to remove the storage unit could result in the City issuing a citation. A minimum ninety (90) day period must pass between issuance of each permit.

A maximum of one (1) forty-foot or two (2) twenty-foot containers per ten thousand (10,000) square feet of building space will be allowed.

Temporary storage containers must not be located in any part of a fire lane, required parking space, maneuvering lane, or visibility triangle.
