FISCAL YEAR 2024 BUDGET VIDEO

October 1 marked the beginning of a new fiscal year for the City of Hurst. The initial step when developing our budget each year is making our annual citizen survey available for community input. The City Council and staff discuss the feedback received from the survey and use the information to develop the annual budget. As shown in the survey results, **Public Safety, Infrastructure** and **Community & Economic Vitality** were your top priorities for us to focus on for the upcoming budget year.

Learn all about the Fiscal Year 2024 budget and how your tax dollars are being used by viewing our video at hursttx.gov/budget.

GREASE ROUNDUP

This holiday season, we're making it easier than ever to Cease the Grease! The City of Hurst encourages residents to collect and recycle or safely dispose of all used fats, oils and grease. When these items are washed down the drain, it sticks inside pipes. This hardening eventually leads to build up that clogs and damages the sanitary sewer system.

You can recycle your grease for FREE at our drop off location at the north end of the Service Center parking lot at 2001 Precinct Line Road through **January 5, 2024**.
