

UTILITY BOX ART

The City of Hurst completed Phase II of the Utility Box Art Project, blending creativity and community pride! The City Council and the Hurst Community Arts and Historic Landmark Preservation Committee selected ten local artists and community members to transform mundane utility boxes into artwork. Each artist embraced the theme "The Building Blocks of Hurst" by showcasing Hurst's history, iconic landmarks such as Bell Helicopter and L.D. Bell High School, elements of the boundless potential of our youth, and more. As a result, these once-ordinary utility boxes are now colorful canvases that scream "Hurst vibes!"

We're thrilled to showcase artwork throughout our community that celebrates the City's rich history and culture. You'll find more information on the artists and their work on our website in the coming weeks.

UPCOMING CITY COUNCIL MEETINGS

January 9 & 23

February 13 & 27

CITIZEN SURVEY

Each year, the City of Hurst engages in our Strategic Planning Process to determine priorities for the upcoming budget. This process allows the city council to evaluate community needs and assess their impact on the city's budget while also helping the city determine which services to provide and at what level they are offered. One critical factor that affects the strategic planning process is our annual citizen survey.

We will open up our survey for responses during the month of **February**. You'll be able to access it during that time by visiting hursttx.gov/citizensurvey.

TOWN HALL FORUM

Join us at the Hurst Conference Center for our Town Hall Forum on **February 29!** This is a great opportunity to hear from city staff and connect with our mayor and city council members. From 6-7 p.m., enjoy refreshments while listening to a few presentations, then stick around from 7-8 p.m. for a meet and greet with our mayor, city council, and city departments. We look forward to seeing you there!

CODERED EMERGENCY NOTIFICATION

Now that it's winter, make sure you are signed up for our CodeRED Notification System to be alerted during a winter weather event!

The City of Hurst uses the CodeRED Emergency Notification System to notify the entire city or only the affected areas, via telephone or cell phone, about emergency situations in a matter of minutes. The system is available to all Hurst residents free of charge. These phone calls will begin with "This is a CodeRed Emergency message from The City of Hurst."

In what case would I receive a CodeRED message?

- Homeland Security related emergencies
- Hazardous material emergencies
- Drinking water contamination
- Other emergency situations where rapid and accurate notification is essential for life safety
- Missing persons report
- Warning of significant weather

What should I do if I receive a CodeRED message?

- Listen to the entire message carefully, and follow the instructions
- DO NOT call 9-1-1 unless instructed to do so.

If you're not signed up for CodeRED, don't wait! Sign up today at hursttx.gov/CodeRED.
