

GARBAGE & RECYCLING REMINDERS

Make sure your trash and recycling materials are placed at your curb by 7 a.m. on your scheduled pick-up days. Garbage can be placed in a trash bag or contained in a trash can. The total weight of garbage and container cannot exceed 50 pounds. To help avoid causing litter, make sure your garbage and recycling are placed in a container with a secure lid to prevent trash from blowing out.

Republic Services' collection hours are between 7 a.m. and 7 p.m. This means your trash pick-up is not considered "missed" for the day until after 7 p.m. Sometimes crews are running behind because of larger than usual trash set-outs, routes running in a different order, employee shortages, or a new driver learning a route. If your trash hasn't been picked up by 7 p.m., submit a service request through the Hurst Where We Live mobile app or on our website at hursttx.gov/servicerequest. You can also contact us the following morning at 817-788-7000, and we will work with Republic to send a crew back to your area.

Bulky objects for garbage collection can be placed with regular garbage on your normal pickup day. Bulky items include furniture, bedsprings, televisions, washer/dryer, etc. Tree limbs and brush must be bundled, no longer than four feet in length, and not to exceed 50 pounds. Special pickup for loose brush can be arranged by calling Republic Services at 817-332-7301. More details about garbage and recycling in Hurst is available at hursttx.gov/trash.

ADOPT-A-PARK

The Parks Department staff works tirelessly to provide our community with clean, attractive, and well-maintained parks. Due to the number of park acres in Hurst, it creates the difficulty of keeping each park in its highest condition. We rely on enthusiastic and willing partners to assist us in our efforts.

We encourage community participation in our park programs. We want to collaborate with groups, organizations, and individuals to help us maintain our community values of inclusiveness and a positive environment. We want to ensure the City of Hurst is well maintained, clean and secured, leading to an enjoyable living experience. Participate in the Hurst Adopt-a-Park program!

We will track and record all participant volunteer hours with our City of Hurst Volunteers in Action program. Groups or organizations that participate will have their names posted at the park for the duration of their commitment. Interested groups or organizations should contact Kristie Weaver at kweaver@hursttx.gov.

UPCOMING CITY COUNCIL MEETINGS

February 13 & 27

March 12 & 26

hursttx.gov/agendas

Hurst City Hall
1505 Precinct Line Rd.
