

CHALLENGE ACCEPTED: FAMILY HEALTH AND FITNESS DAY

June 8, 2024

7:30-9:30 a.m.

Chisholm Park

2200 Norwood Dr, Hurst, TX 76054

Bring the whole family and celebrate National Family Health & Fitness Day! We start with our 1-mile walk/run followed by fun games & challenges. Visit us online at hursttx.gov/recreation to sign up for family fun! Each 4-person team requires at least one adult 18 or over to participate.

Everyone who participates on the day of the event receives a free one-day admission to the Hurst Aquatics Centers. Families who complete the entire challenge are entered into a drawing for a family season pass to the Hurst Aquatics Centers.

Registration begins May 6, 2024.

GOOD NEIGHBOR REMINDERS

Here are some ways we can continue to be good neighbors!

- Residential or developed, non-residential property must keep weeds and grass shorter than eight inches tall. Sweeping or blowing lawn and garden debris into the street is prohibited, as is allowing grass or weeds to grow over the curb.
- City Code prohibits garbage accumulating on or in any property. This includes but is not limited to waste matter, trash, debris, dirt, dry grass, dead trees, tin cans, paper, etc., that may become a fire hazard or a menace to health, safety, and welfare.
- If you have a pool, spa, or other water receptacles at your residence, it's important that you maintain it so that it doesn't become offensive or a health concern for neighbors or passersby.
- Property owners should not park an automobile, truck, or any other motor vehicle or trailer for over 48 hours when the vehicle or trailer is without one or more wheels or is apparently inoperative for any reason, including not having registration or current inspection.

If you see something that needs to be addressed, you can submit a service request through the Hurst Where We Live mobile app or online at hursttx.gov/servicerequest.

Thank you for being a good neighbor and doing your part to maintain your property!

WATER CONSERVATION

As summer approaches and temperatures increase, it's important that we continue to do our part to help conserve water. Now is a great time to brush up on the guidelines when it comes to irrigation or sprinkler systems:

- There is no watering with irrigation systems or sprinkler systems between 10 a.m. - 6 p.m.
- Although there are two allowable days, you don't have to water if your landscape does not need it.
- Watering by hand-held hose, drip irrigation or soaker hose is allowed at any time.
- No more than two hours per day maximum is encouraged.

Some great water conservation advice can be found at waterisawesome.com. We also have resources and details about your watering schedule available at hursttx.gov/waterconservation.

BECOME A HURST POLICE OFFICER

Another opportunity to take our police officer test is on June 1.

Hiring salary: \$80,080 Post-probation salary: \$87,692

Applicants must pre-register for the Police Officer Entrance Examination and apply for the Police Officer position online. Visit hursttx.gov/policecareers for all the details.

2024 HEB YOUTH IN GOVERNMENT GRADUATES

Congratulations to the 2024 HEB Youth in Government graduating class and scholarship winners!

The 17 students who participated in the program this year gained a better understanding of the impact local government has on the community while building relationships with each other and city staff and officials. It was a great program this year, and we are grateful for the partnership between the cities of Hurst, Euless, and Bedford and the HEB Chamber of Commerce to offer this opportunity to local high school juniors and seniors. We also appreciate Republic Services for graciously providing the college scholarships each year!

Information on the 2025 HEB Youth in Government program will be available later this year on the HEB Chamber's website.

HURST AQUATICS INFORMATION

Summer 2024 aquatics information is available online at hursttx.gov/aquaticsinfo!

We can't wait to see you at the pools this summer!
