Updated information:

On Monday, January 25th at around 8:47 a.m., Hurst police officers were called to check on the welfare of a resident of the Arts at Park Place Apartments in the 600 block of Arcadia Street. Upon arrival, officers discovered a deceased woman in an apartment.

The woman was identified as Laurel Schick, a 65-year-old woman and resident of the apartment.

Evidence indicated Schick was murdered and subsequent information and evidence led to detectives securing a warrant this afternoon for the arrest of Anthony Young (a white male with a date of birth of 07-14-1977).
