## ON THE COVER

We are looking forward to enjoying our aquatics centers again this summer! There will be plenty of opportunities to beat the heat and have some fun with your friends and family, however, we will be offering a modified operating schedule for this summer season. You can find out all of the information on page 19. We look forward to seeing you at the pools this summer!

# MAYOR'S MESSAGE

---

After the harsh winter we experienced, summer is a welcome thing! Summer is bringing with it so many exciting activities, including an aquatics season! As you remember, due to the pandemic in 2020, our aquatics centers were closed. This year, we are excited to offer an aquatics season by opening the Chisholm Aquatics Center to the public. So be sure to go cool off at this fantastic facility this summer. Swim lessons will take place at Central Aquatics Center. Stay tuned as we plan to host a few exciting events at Central Aquatics Center as well. Catch all the details on page 19. And, be sure to catch Finn's summer safety tips to stay safe in all pools this year on page 17.

Another great bit of news is that our Hurst Senior Activities Center reopened on May 3. Our members have sincerely missed the facility and the fellowship it brings. Be sure to catch all of the re-opening details on page 14.

Our annual Stars & Stripes event is returning this year with a few changes. You can get the details of the event on page 21. I look forward to celebrating Independence Day with you once again.

Also returning this year is the Citizens Police

Academy, hosted by the Police Department. This free learning event is an opportunity to get to know some of the staff and their roles and better understand police activity. Page 4 has all the details.

Mayor Henry Wilson

I would like to take a moment to recognize Councilmember Larry Kitchens for his 20 years of dedicated service to the city as a city council member. He retired in May, and we have a special piece honoring his service on page 10. We are grateful for all that he contributed to Hurst during his time on council. During the recent election, Councilmember John Miller was elected to fill Place 2. I look forward to serving alongside him and wish him years of success as part of this council.

I'm sure you are just as excited as I am to be getting back to our normal activities that we have missed so much. I hope you have a great summer ahead, and I look forward to seeing you out at some of our events.

— *Mayor Henry Wilson*

# OUR COMMUNITY

## Citizens Police Academy offers education to public

The Hurst Police Department sponsors the Citizens Police Academy (CPA) with the goal of educating the citizens of Hurst on the “Hows and Whys” of the Hurst Police Department and its operations. This is accomplished through a series of lectures and hands-on activities on Thursday evenings from 6 p.m. to 9 p.m. for 10 weeks. The CPA classes are held at the Criminal Justice Center, located at 825 Thousand Oaks. The next Citizens Police Academy is scheduled to start August 12, 2021.

There is no cost to attend the CPA. Graduates of the Hurst Citizens Police Academy are NOT trained to be police officers or vigilantes. The purpose of the CPA is to educate attendees as they become ambassadors of good will to the community.

Each applicant must be at least 21 years of age, live or work in the city of Hurst, and successfully pass a background investigation. Applications must be turned in no later than Monday, August 2, 2021. To successfully graduate, each participant is required to attend at least 8 of the 10 sessions.

Contact Evelyn McAmis at 817.788.7342 or email at [emcamis@hursttx.gov](mailto:emcamis@hursttx.gov).

City Council helped recognize volunteers who reached over 200 volunteer hours.

# VOLUNTEERS IN ACTION

Volunteers were recognized for their dedicated service during a drive-thru event.

This past April, we celebrated our wonderful volunteers during National Volunteer Appreciation Month.

Our first celebration was Tuesday, April 13 at the City Council meeting, where we recognized those members of our VIA program who had reached the 200-hour milestone in volunteer hours.

The following week we celebrated our volunteers that had donated hours during 2019 and 2020. Due to COVID, we were unable to celebrate these wonderful volunteers for their dedicated service in 2019. For that reason, we had an even more festive event with two years of volunteer service being recognized at our drive-thru event on April 21!

Our volunteers are a true asset to the City of Hurst! We thank all of our volunteers for helping us continue to be a community built on connection.

A winner of Hurst's Seasonal Property Maintenance Award.

# PROPERTY PRIDE

*Have you noticed any of your neighbors going the extra yard?*

## **Seasonal Property Maintenance Award**

The City of Hurst Property Pride program is a quarterly property maintenance award designed to recognize those that **go the extra yard!**

Anyone can nominate a residential property in Hurst for this award. Up to four properties per season will be chosen by our Neighborhood Services division

for the recognition. Nominations should be made for overall property maintenance. Winning properties will receive a yard display, a gift card, and will be featured in various communication outlets, with owner consent.

*Properties are eligible to receive the award once every three years.*

**Nominate them at**  
**[hursttx.gov/propertypride](http://hursttx.gov/propertypride).**

# WATER CONSERVATION

## WATER BY THE DROP

Use drip irrigation for trees, shrubs, and flowerbeds. Drip systems put water in the root zone - that's right where the plants need it. And adapters make it easy to convert from spray to drip.

Water conservation involves us all. This summer while keeping your lawn and plants hydrated, be water aware with these tips from Water Is Awesome.

### TUNE UP YOUR IRRIGATION SYSTEM

Fix leaks or damaged sprinkler heads and make sure they're aimed at the landscape, not the street or sidewalk

### DON'T WATER BETWEEN 10 A.M. AND 6 P.M.

Up to 30 percent of the water we spray on lawns during the heat of the day is lost to evaporation.

### CYCLE AND SOAK TO AVOID RUNOFF

Irrigate in shorter bursts to give water a chance to soak in, and allow 30 minutes or more between cycles.

### TWICE A WEEK OR LESS

If you're watering more than two days a week, you're watering too much.

waterisawe

# WATER SAVING TIPS

## RAIN AND FREEZE SENSORS ARE WATER SAVERS

They trigger automatic systems to shut off during downpours or when temperatures dip near freezing. And they could reduce your outdoor use by 5-10 percent.

## GIVE YOUR SPRINKLER A REST ON WINDY DAYS

There are certain things to avoid doing on windy days. Watering your lawn is one of them.

## SMART CONTROLLERS KNOW WHEN TO SAY WHEN

They are like irrigation clocks that automatically adjust run times in response to weather conditions.

## REPLACE THAT THIRSTY TURF

Grass is great for play spaces, but do we really need so much? Replace those little-used areas of your lawn with other types of landscaping or water stingy plants.

Councilmember Kitchens presents a proclamation recognizing Constitution Week honoring the ideals the Framers of the Constitution had in 1787.

# COUNCILMEMBER LARRY KITCHENS RETIRES

Councilmember Larry Kitchens retired from Hurst City Council in May after serving for 20 years. Before joining the City Council, Larry served on the Parks and Recreation Board from June 1982 to May 2001. He also served on various other Boards and Commissions including the Crime Control Board, Community Service Development Corporation, Hurst Public Facility Corporation, and then as Council Liaison for the Historical Landmark Preservation Committee.

Larry began his professional career as a high school

history teacher and coach at Eastern Hills High School in Fort Worth. A graduate of Texas Wesleyan University with a Bachelor of Science degree in History and Physical Education, he also has a Master of Educational Administration degree from Texas Christian University. Leaving public schools, he assumed duties as Director of the Instructional Media Center and Instructor in the School of Education at Texas Wesleyan University. Later, he was appointed Dean of Educational Resources at Richland College of the Dallas County Community College District. During his last year at Richland,

he also served as Acting Vice-President for Student Development. Larry retired from Texas Christian University in 2015 as Director of the Center for Instructional Services after twenty-eight years of service.

Larry is married to Carolyn, also a graduate of TWU, who is retired from the public schools as a teacher, consultant, vice-principal, and principal. She is also a former adjunct instructor at Texas Christian University in the College of Education. They have lived in Hurst since 1969. Larry and Carolyn have three children: Kathy Lyda, David and his wife Patti, and Mark. Among their children, they have four granddaughters: Avery, Lindy, Emma and Ella.

Larry said he and his wife, Carolyn, were “committed to community service as that was the way they were brought up.”

Larry’s commitment to serving the residents of Hurst has been evident over the last 40 years. With his professional background, cybersecurity was of particular interest to him. He was a member of the National League of Cities Information and Technology Committee. Under Larry’s guidance, the City of Hurst held the first municipal cybersecurity awareness event in Texas. Larry also presented about this subject at a Texas Municipal League Annual Conference.

Additionally, Larry and Carolyn have a strong passion for history and worked to develop a more detailed history of Hurst and Post Oak/Parker Cemetery. Larry championed the recently completed Post Oak/Parker Cemetery Improvements Project. His love for history and tradition has also left a mark on Council proceedings. He requested the Texas Pledge of Allegiance be said at every Council meeting after the US Pledge. We wish Larry luck in his future endeavors!

Councilmember Larry Kitchens

# Clear the Shelters

Aug. 23 - Sept. 19

Our effort to help Clear the Shelters will be taking place August 23-September 19!

Adoption fees will be waived September 13-19. As we get closer to the date, we will share all the details on our social media pages and our website. We look forward to finding loving homes for more animals in need!

## Tarrant County HOME Program

Do you know someone who...

- Owns their home
- Has a lower income
- Is either over 62, disabled (receiving Social Security disability) or has dependent children living at home

And is in need of a home repair project?

Tarrant County offers a housing repair program with assistance from the City of Hurst to provide roof, foundation, plumbing, electrical and weatherization for homeowners.

Call Tarrant County Community Development office at 817.850.7940 for more information or to apply.

## Want to stay informed?

We have the perfect way!

*[hursttx.gov/getconnected](http://hursttx.gov/getconnected)*

Sign up to use our email notification system!

We are always excited to share our great news and events with Hurst citizens. Our email notification system is one of the best ways we can get information directly to you, keeping you informed. How do you get this great service? Sign up at [hursttx.gov/getconnected](http://hursttx.gov/getconnected).

Upon registering your email address, you will be introduced to a list of topics. Select one or select them all!

Once you are subscribed to begin receiving emails from the City of Hurst, you will also begin receiving our Hurst Happenings e-newsletter. This e-newsletter is typically generated bi-weekly, in front of each council meeting so you're always in the know about our council meeting dates. But it can be generated more often if there is information to share.

So visit [hursttx.gov/getconnected](http://hursttx.gov/getconnected), register your email, select your topics and stay connected!

# Citizen Survey

During our recent citizen survey, we asked you “If someone you knew was considering moving to Hurst, what is the most positive characteristic you would share with them about your city?” Here are a few of the responses!

“Absolutely love the police presence and family geared town, it’s almost a small town feel in the center of a large metro area.”

“Hurst has a very good infrastructure. It is convenient and looks after the quality of life for the residents.”

“Everything!”

“The city is very safe and secure.”

“Diversity and cost of living.”

“Everything you are looking for is here. I call living in Hurst the sweet spot.”

“Solid financial standing and wise decisions by city government; quality schools and city and retail services.”

“Hurst has all you need and all you want. . . including nice people.”

“Great place to raise a family — safe, good schools, lots of things to do.”

“The infrastructure is safe and well planned.”

We greatly appreciate everyone who took the time to complete our citizen survey to let us know how we are doing. The city council takes your responses into consideration when developing the city budget each year and as they plan for future projects. We were left especially encouraged by your positive feedback about what you love most about your city!

A group of Hurst Senior Activities Center members pose for the camera on May 3 during a re-opening celebration for the facility following its closure for COVID-19 during the pandemic.

# Hurst Senior Activities Center

Facility re-opens after closure during pandemic

Guess who's back? Seniors, that's who! That's right, the Hurst Senior Activities Center re-opened on May 3, so come by and see us!

Hurst Senior Activities Center members work-out in the gym and enjoy coffee during the facility's re-opening celebration.

Above: Hurst Senior Activities Center staff pose under a welcome back sign. Right: A visitor gives a thumbs-up after his workout.

As we continue to focus on safely re-opening, there are a few changes, including our new hours of operation. We are open Monday-Friday, 9 a.m. - 5 p.m. The fitness center is open. As an extra precaution, staff will assist with sanitizing equipment throughout the day.

Coffee is available all day in the multi-purpose room. The library is open to grab a book or two. In-person

activities are resuming with a phased approach, so check our monthly Senior Pipeline to see what's been added!

Re-opening information is constantly evolving. Updates are posted on our website [hursttx.gov/hsac](http://hursttx.gov/hsac), our Facebook page, and in the Senior Pipeline. Of course, you can call 817-788-7710 or stop by during open hours.

# Household Hazardous Waste Collection Event

July 10

Hurst Service Center | 2001 Precinct Line Rd. | 8 - 11 a.m.

Bring your household hazardous waste to the Service Center along with an ID and Hurst water bill.

## Accepted Items:

Automotive fluids, batteries, cleaners & degreasers, cooking oil, lawn/garden/pool chemicals, light bulbs, and paint. There is a limit on paint of three five-gallon containers.

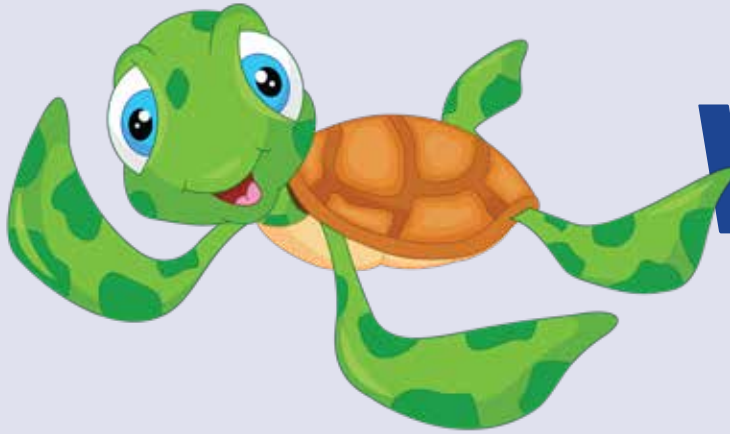

## Items Not Accepted:

Ammunition or explosives, appliances or electronics, building materials, bulk trash and yard waste, butane or propane cylinders, medicines or sharps, and tires.

Document shredding will be available. Three (3) box limit, no larger than 15"x12"x10" accepted. Limited space. First come, first served.

# Summer Safety Tips

## with Finn!

**With summer around the corner, Finn is back with some important safety tips!**

### **Too much sun is no fun!**

- Don't forget the sunscreen! Make sure you apply to all exposed areas to ensure total coverage. Don't forget to reapply often.
- Hats, sunglasses and long sleeves provide extra protection as well. Shade is important, too. Sit under a tree or umbrella for added protection!

### **Don't wait too late to hydrate!**

- Drink lots and lots of water! Sodas, tea, coffee, etc. don't provide enough hydration on their own.
- Try to limit strenuous activity to early morning or evening to avoid the hottest part of the day.

### **Make sure a grown up is watching me!**

- Constant Supervision of your child in the water is the number one layer of protection when it comes to water safety. This includes lifeguarded pools. Lifeguards are there for the safety of the entire facility, but only you know your child. Watch for signs of becoming overtired, and encourage them to take breaks between all the water fun.

### **Don't just pack it, wear your jacket!**

- U.S. Coast Guard approved lifejackets is another layer of protection for water safety. Children and adults should wear them at all times on lakes, rivers, oceans; in any type of boat and in pools if they cannot swim. U.S. Coast Guard approved lifejackets are tested and approved through several safety tests. Look for the seal with the approved number before purchasing a lifejacket.

## **Have a fun and safe summer!**

**For additional tips from Finn, stop by our Chisholm Aquatics Center for our Water Tip Wednesdays this summer!**

**T**he month of July is all about parks and recreation! Since 1985, cities across the nation have celebrated National Parks and Recreation month by exploring their local parks and activities. Last year's theme, "We Are Parks and Recreation," focused on the importance of parks during a pandemic and especially those staff members who were in the middle of it. Virtual programs were the norm, but people needed to get outside. Our parks saw unprecedented use as residents needed to distance themselves physically from others but still wanted to socialize.

This year's theme is all about you! "Our Park and Recreation Story," is about what parks and recreation mean to you, or how it has impacted your life. Did you use parks as spots of respite or to celebrate life's special moments? Did our pools encourage a lifelong love of swimming? Did you learn to play a sport or cook because you participated in a class? Or do you simply love nature? Whatever parks and recreation means to you, we want to hear your story.

As we get closer to July, follow us on social media for updates, and encourage others to do the same. #OurParkAndRecStory is going to be amazing!

# Hurst Aquatics Centers Update

After COVID-19 disrupted the City of Hurst's ability to operate our aquatics centers in 2020, we are excited to offer a 2021 aquatics season! However, despite significant recruitment efforts from our staff, we have not received enough seasonal aquatics applications to operate our facilities at "normal" levels safely. The safety of our citizens and aquatics center guests is our number one priority. As a result, we are offering a modified operating schedule for the 2021 summer season.

The modified 2021 operating schedule includes the following:

- The Chisholm Aquatics Center is open for public swim for the 2021 season.
- The Central Aquatics Center is open for swim lessons and special events only in 2021.

- Our Learn-to-Swim Program is offered at the Central Aquatics Center on weekdays in both the morning and evening. There will be no lessons offered at the Chisholm Aquatics Center.
- We are excited to be able to host a Dive-In Movie, Special Needs Swim Night, and a Doggie Dive-In Event at the Central Aquatics Center. And as staffing levels allow, we will add Pop-Up Open Swim Nights at the Central Aquatics Center.

For more detailed information on the 2021 aquatic season offerings, you can visit [hursttx.gov/aquatics](http://hursttx.gov/aquatics). To access Learn-to-Swim class information in our Activity Guide, visit [hursttx.gov/recreation](http://hursttx.gov/recreation). We look forward to being able to serve you this summer!

## Healthy Hurst Wellness Program

The Healthy Hurst initiative was created in 2006 as a way for Hurst citizens to track their exercise goals. Over the past 15 years, the program has evolved into a health initiative representing the varying external forces contributing to a balanced lifestyle. To convey this idea in a visual format, the Parks and Recreation Team created the Healthy Hurst logo composed of five different symbols. The logo seeks to represent everything about Hurst that contributes to a synergy between community and individual. The symbols, which portray sunshine (sun), nature (leaf), physical activity (bike), and social events (music note), surround a

vibrant, healthy heart. The colors orange, green, yellow, and blue represent the four seasons and the city's pledge to promote positive health throughout the year. As the slogan at the bottom states, the ultimate goal is to "Feel Good & Live Well."

A Healthy Hurst is a culmination of the programs, businesses, and other city amenities that citizens utilize daily. Whether visiting a park, working out at the Hurst Recreation Center, checking out a book at the Hurst Public Library, or shopping at the North East Mall, you are actively making a Healthy Hurst.

## Healthy Hurst Kid's Triathlon

Saturday, Aug. 14

Heritage Village Plaza/Hurst Community Park

Back again this year, the Healthy Hurst Kid's Triathlon provides a fun and challenging opportunity for the kids in our community to stay active! Athletes will take part in a run, bike, and slide component to complete the course! Medals will be presented to all athletes who cross the finish line! For more information, visit us online at [hursttx.gov/recreation](http://hursttx.gov/recreation).

For more information about Healthy Hurst, please visit [hursttx.gov/healthyhurst](http://hursttx.gov/healthyhurst).

# Stars & Stripes

July 2 | 9:30 p.m.

The Annual City of Hurst Stars & Stripes event schedule will look slightly different as we emerge from the COVID-19 pandemic. In the future, the event will be held on July 3, unless the 3rd falls on a weekend. In that case, the event will default to the Friday before the 4th.

The 2021 Stars & Stripes Fireworks Show will be on July 2. With budgetary and safety restrictions in mind, this year's activities are limited. We will have an extended firework show, which will begin at 9:30 pm at Hurst Community Park, and will last approximately 30 minutes. You can access a projected map of visibility around town for the show on our website at [hursttx.gov](http://hursttx.gov).

The park will open at 8 p.m. to a limited number of vehicles, and seating on the west and south sides of the park will be available.

For more information, visit us online at [hursttx.gov/recreation](http://hursttx.gov/recreation), on Facebook @HurstParksandRecreation, or call 817-788-7320.
