JULY 2024

All month long, bring a friend FREE to the Hurst Recreation Center & Hurst Senior Activities Center.

This Park and Recreation Month we are celebrating the vital role park and recreation professionals play in fostering a sense of belonging in their communities by providing welcoming and inclusive programs, essential services for all ages and abilities, and safe, accessible spaces to build meaningful connection. Park and recreation professionals make a positive impact on their community members every single day. Let's come together this year and show the many reasons why Hurst Parks & Recreation truly embodies the essence of belonging. For more information visit hursttx.gov/julyprm.

NRPA encourages everyone who supports parks and recreation to share how it has improved their community on social media using #WhereYouBelong, and don't forget to follow and tag us!
