POOL ALARM / BARRIER CERTIFICATION

PERMIT NUMBER: _____

DATE: _____

PROJECT / SITE ADDRESS: _____

This document requires that the homeowner of record certify that one (1) of the following protection methods has been installed and is operating properly:

I certify that one of the following protection devices IS installed:

- All Doors / screens / windows with direct access to the pool are equipped with an alarm which produces an audible warning when opened. The alarm shall be listed and labeled in accordance with UL 2017. The deactivation switch(s) shall be located at least 54 inches above the threshold of the door.
- The pool is equipped with a power safety cover complying with ASTM F1346-91. Spas and hot tubs with lockable covers comply with ASTM F1346.

Other means of protection, such as self-closing doors with self-latching devices are acceptable, so long as the degree of protection afforded is not less than either protection listed above.
