Time: 3:30 pm
Topic: Hit and Run Fatality Crash

At approximately 8:57 pm on Tuesday evening, April 7th, 2020, the Hurst Police Department responded to the 2100 block of East Hurst Boulevard (State Highway 10) to investigate reports that a bicyclist had been struck by a vehicle, which quickly fled the scene. Police and Fire/EMS personnel arrived and began treating the 62 year old male victim, who was transported by ambulance to a local hospital. The victim died at the hospital. The victim's identity is being withheld pending family notification.

Witnesses at the scene described the suspect vehicle as a black or dark-colored older-model SUV. Hurst detectives have located several videos from local businesses in the area that captured the suspect vehicle as it fled the scene at a high rate of speed. These videos show the vehicle is possibly a Chevy Tahoe or GMC Yukon. The vehicle would have sustained damage to the front right fender and right front bumper, as well as the hood area. The photo below is from the video from one local business.

The Hurst Police Department is requesting help from the public in identifying the driver or owner of this vehicle. Please contact Hurst Detective Kyle Truly at (817) 788-7179 with any information concerning this incident.
